

Region 5 SES A3 Projects

- Korleski: Reduce the Grant Funding Approval period from an average of 34 days to 25 day.
- Kaplan: Accelerate the deployment of R5 ELMS training by 25% or one full FY 19 quarter.
- Nam: Reduce the number of Corrective Actions by 25% by the end of this FY.
- Newton: Reduce (letter 1) monthly average of disciplinary action review process by at least 25% as compared to FY19 baseline.
- Nelson: Region 5 has 33 of 129 OECA RNCf (referred non complaint filed) cases. Goal: all cases > 2.5 years old will be acted upon with either a lodged consent decree or a filed complaint. Decrease Region 5's number below 33 by 9/30/19.
- Hyde: Improve EVS LCD/LCARD survey results related to resources/workload & communications by 10% by 1.)conducting workload analysis; identifying work investments & disinvestments; increasing efficiencies; and 2) enhancing division wide communications.

Est. Status of SES A3s Towards Completion of Commitments
